Ionizer Output	8 million/cm ³
Recommended Room Size	50 ft ²

FEATURES

- Auto Mode.
- Compact size and portable.
- Chemical free operation.
- Low maintenance.
- Very quiet operation.
- Easy to use.

CAUTION

Read this manual carefully for proper procedures and operation.

To prevent electric shock, do not plug or unplug unit with wet hands .

Do not disassemble or insert items into unit. Doing so, may cause damage or electric shock.

INSTALLATION & OPERATION

1. Unpack your PLH-E100 from its carton and remove protective material. Inspect the unit for any visible signs of damage. If damage is evident, repack and contact your local Distributor.
2. Plug unit into any power outlet and move switch to the "ON" position.
3. An ionization odor should be present when the unit is powered on. This is normal and indicates the unit is working properly.
4. Press the button once on the front of the unit to activate ozone, the indicator blue light will illuminate and it will automatically turn off in 30 minutes, Press the button again on the front of the unit, the blue indicator light is flashing, and it will automatically turn off in 4 hours.
5. To turn the unit off, move the switch to "OFF" position.
6. The use of this product and proper cleaning is effective against most odors and airborne particles, PLH-E100 will cause dust and other particles to settle out of the air and onto surfaces where they can be taken away during normal cleaning.

MAINTENANCE

The PLH-E100 is low maintenance. Once every month the air inlet and outlet must be vacuumed. Use an accessory brush attached to a vacuum cleaner running on its lowest power setting.

Disconnect the unit and gently brush back and forth over the openings to help remove internal and external contamination. Do not vacuum the unit for more than 10 seconds at a time or blow air into the unit.

Periodically wipe the unit with a dry cloth. Do not spray with cleaning products or allow mists or other types of moisture to enter unit. Cleaning products or moisture will damage the unit and such damage is not covered by the product warranty.

DISPOSAL

Do not dispose of unit in the normal household trash. Please dispose of it separately at a location designated for this purpose.

AFTER SALES SERVICE

Should you encounter any problems with the unit, please contact the sales agent
