

BELT GRIP

Technical Data Sheet

Technical Data Sheet

Product name: Belt Grip
Sales code: 32601

Creation date: 25 March 2016

Version: 1
Replaces: 0

Section 1: General description

Friction improver to ensure traction and transport drive belts run smoothly without stutter and slip.

A non-toxic friction improvement fluid with good plastic and rubber compatibility. Intended for use in the food processing industry where incidental food contact may occur.

Section 2: Features

- Equipped with the exclusive Perma Lock System
 - Integrated short and long distance applicator.
 - Secured spray straw can not get lost.
 - The locked actuator can not detach or get lost.
 - Green color actuator, indicating H1 Food Processing Safe.
- Registered NSF class H1.
- Ensures your belt runs efficiently
- Increases driving power means lower energy consumption.
- Reduces squeaking noises from slipping belts.
- Forms a water resistant film.
- Complies with BRC Global Standard (Issue 7) - 4.7.6.

Section 3: Applications

- Can be applied on round-, flat- and V-belts.
- Forces the old belts on a multiple drive, to take their part of the power while the new belt elongates.
- Helps to a steady go of goods transported over belts on slopes.

Section 4: Directions

- Avoid mixing with other lubricants
- Do not use on energized equipment
- Spray a light, even coating on the pulling sides of the belt.
- Re-apply occasionally to ensure continued high performance.
- Allow the solvents to evaporate for a couple of minutes before starting the operation.
- Remove over-spray with a suitable cleaner.

On our web site, a safety data sheet (SDS) is available for all CRC products. The SDS accords to EU directive 91/155/EEC and it's amendments.

Section 5: Typical product data (without propellant)

Appearance		liquid
Colour		clear
Odour		Low
Specific gravity	g/cm ³ @20°C	0,79
Flash Point	°C	< 0
Operating temperature	°C	Max 100
VOC	%	77
Shelf life	years from production date	6
NSF registration	Class H1	139822

- 1) Based upon the present state of our knowledge and information received from our suppliers, evaluation of this product indicates that it is free from nut oils and their derivatives.
- 2) This product does not contain allergenic food ingredients listed in Annex IIIa of directive 2007/68/EC, this being an amended to 2003/89/EC and in Annex II of directive (EC) 1169/2011
